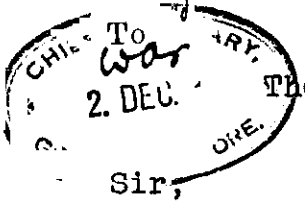
FROM

E. V. GANAPATI IYER, Esq., B.Sc.,
Government Director, Industrial Concerns,
BANGALORE.



To
The Chief Secretary to the
Government of Mysore, Bangalore.

Sir,

Subject:- A.R.P.arrangements for Belagula.

With reference to your letter No.2856/W dated the 7th May 1942 on the above subject, I have the honour to state that I have since considered the matter fully in consultation with the Deputy Commissioners of Mysore and Mandya Districts. I enclose herewith a copy of D.O.letter No.T.C. 35/W dated 28th August 1942 of the Deputy Commissioner, Mandya District, and of a note No.C.168 dated 14th October 1942 of the Secretary and General Manager, Mysore Chemicals & Fertilisers Ltd., for the kind reference of Government. As the Deputy Commissioner, Mandya District has suggested that only one A.R.P. Controller is enough for Belagula and the Secretary and General Manager of the Mysore Chemicals & Fertilisers Ltd., is in a position to look after the necessary duties as he has now the assistance of an officer with special training in A.R.P. I am instructing the Secretary and General Manager, Mysore Chemicals & Fertilisers Ltd., that his jurisdiction as A.R.P. Controller will extend in addition to all the works

P.T.O.

works area, to Belagula village, the Pumping station, Railway station etc., and that he should organise the A.R.P. services accordingly. I request that my action may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant,

Government Director,
Industrial Concerns.

======

Subject:- Appointment of H.K.Ramaiengar, as A.R.P.Controller for Belagola area.

====

I am in receipt of your D.O.Letter No.Gl.323 dated 24/25th August 1942 on the above subject. In this connection, I wish to invite your kind reference to Government notification No.2288/W dated the 4th April 1942 appointing the various A.R.P. Controllers in the state and according to that notification, the General Manager, Chemicals & Fertilisers Ltd., has been appointed A.R.P. Controller for Belagola. Belagola area includes the Pumping Station of the Vani Vilas water works and Belagola village proper in addition to the area mentioned in your D.O.dated 15th June 1942 addressed to Deputy Commissioner, Mysore District. It is necessary to have Air Raid Precautions in Belagola Pumping Station and Belagola village proper also and as these are situated close to the factory, I would suggest that the General Manager of the Chemicals Factory may be the A.R.P. Controller for the entire area including the Pumping Station and Belagola village. I do not think there is any necessity to have two A.R.P. Controllers in such a small area as Belagola, one for the Factory area including the Railway Station Dichromate factory etc., and another for the Pumping Station and the village proper.

Krishnaraja Sagar has already been constituted into a separate unit for A.R.P. purposes and the Executive Engineer, Krishnarajasagara is the A.R.P. Controller.

I request you to obtain sanction of Government

P.T.O.

Government for the appointment of the General Manager, Mysore Chemicals and Fertilisers Ltd., as A.R.P. Controller for Belagola pumping Station and Belagola village proper also.

====

Copy of Note No.C.168 dated the 14th October 1942 from the Secretary and General Manager, Mysore Chemicals & Fertilisers Ltd., Mysore to the Government Director, and Chairman, Mysore Chemicals & Fertilisers Ltd., Mysore., Bangalore.

====

Subject:- A.R.P.Controller for Belagola.

=========

The connected references are resubmitted herewith. Belagula village and Belagula Pumping Station may, in the light of the circumstances pointed out by the Deputy Commissioner, be included in the area under my control. The A.R.P. Officer, Mr.T.Nagesa Rao will be asked to attend to do the needful.
